

## **TRABAJO PRACTICO DE LA UNIDAD Nº 10**

### **Traducir:**

1. If you've got exams tomorrow, why aren't you studying?
2. I brought an extra CD ROM. Just in case.
3. If you were to use Boolean data you ought to learn about Boolean logic first.
4. I don't know what would have happened if Juan hadn't been able to restore the main data base.
5. Would you be so good as to run the antivirus in my machine, please?
6. You can borrow my ink jet printer provided you bring it back as soon as possible.
7. The production, if lower than last year's, is still healthy.
8. These letters would improve if you used the Word Processor's grammar checker.
9. He turned the stereo down very low in order that it shouldn't disturb his workmate.
10. You're welcome to work with us, as long as you share your software.
11. If I knew the error I'd correct the program.
12. If you would come this way we would show you what we've done.
13. Is the company manageress willing that you should take home this work?
14. Supposing your routine doesn't print the results, what would you do?
15. If the key fields should change we'll have to reconsider the whole system.
16. Since that day she would change the searching algorithm every Monday.
17. The system would display an error message if you didn't turn on the printer.
18. The customers wanted to know if you will modify their profile before tomorrow.
19. I'd like to use your PC for a few minutes.
20. Provided the situation goes on like that, you don't have to worry.
21. They would change it to terminal mode despite the data base manager's warning.
22. But for your help, we would have been in a difficult situation.
23. That color ink won't last more than a week if you will print so many color pages.
24. If you had deleted some lines by mistake, you'd recover them by using this command.
25. We commanded that the customers should be hospitably entertained.
26. If anyone should try to modify the data, the control program will lock the access.
27. I'll give you my keyboard on condition that you treat it carefully.
28. If you came earlier, you would see your program running.
29. He says he'll accept the post provided the salary is satisfactory.
30. You should take a notebook with you in case you need it.
31. If it sent you an error message, there will certainly be one.
32. We all came to work but the hard disk wouldn't work.
33. If only he would come tomorrow.
34. I wonder if we would gain a gigabyte by deleting all these WAV files.
35. If they wouldn't save the images files as .JPEG, one CD won't be enough.
